3. Then, decide to enroll a single store, or multiple stores, as shown in Figure 2. Tap Next.

   • Be sure to select items that meet the contract’s requirements.
   • Select a distributor.
   • Have a store representative fill out their information in the appropriate fields, sign their name, and authorize the enrollment.

If errors are present, you will be able to fix those errors, re-submit the contract, and confirm.

6. You have successfully enrolled a store in a program! You should see the Contract Summary screen, shown in Figure 5. A copy of this contract will be sent to you via email.
7. Close the Contract Summary screen to be taken back to the My Stores list.
ENROLLMENT - VOIDING AND AMENDING ENROLLMENTS

VOIDING ENROLLMENTS

AMENDING AN ENROLLMENT

Begin on the *My Stores* list.
1. Select the appropriate enrolled store.
2. Return to the Contract Summary screen by tapping on the existing enrollment.
3. Tap **Amend**. Then, choose a reason for the amendment, as you would for a void. You will then be able to amend any part of the contract, including the stores enrolled and the items associated with the enrollment.

E-ORDERING - CREATING AND SUBMITTING AN ORDER

CREATING AND SUBMITTING AN ORDER

Begin on the My Stores list.
1. Find and tap on the appropriate, eligible store.
2. Select a distributor from the Store Orders screen by tapping on “Create New Order,” as shown in Figure 1.
3. From the My Items list, find the items you would like to order using the Search or the Filter functions, labeled in Figure 2.
4. For each item, use the item counter’s + or – buttons to add or subtract items from your cart.
   • Remember! The item count is different from the item quantity. For example, an item reading as 12ct will mean that it is a package of twelve (12), not twelve (12) packages.
5. When you are done adding items to your cart, tap on the blue footer labeled Review Cart to confirm or edit your cart.
6. If your cart has the correct items and quantity of items, tap the blue footer, now labeled Review Order, shown in Figure 3.
7. You’ll then be taken to the Review Order screen, shown in Figure 4. Here, you will be able to review your order and submit it. Be sure to have the store representative review the order, type in their own name and title, sign their own name, and tap the circle to confirm “I am authorized to place this order.”
8. Tap Submit, as shown in Figure 4.
9. Confirm the order, then view the Order Summary that appears.

We recommend that you send a copy of the order to the store representative. Tap Email Address below “Send Summary To” on the Order Summary screen and type in the email address. Tap Send.
